Saturday October 12<sup>th</sup> at 1 PM  
Saturday November 9<sup>th</sup> at 1 PM

**CUE Christmas/Holiday Party**  
Thursday December 5<sup>th</sup> at 6 PM

## Presentation at October CUE Meeting

To Be Demonstrated by Gabe Goldberg from APCUG

### Gabe's Favorite Websites

The October 2019 CUE Meeting will include Gabe Goldberg who will be talking about his favorite websites. Gabe Goldberg is with APCUG (Association of Technology & Computer User Groups). He represents certain areas of the country including our area. Gabe has experience with presentations, writing, editing, consulting, software development, operating system development at IBM, and abides by a motto of “users help users”! More details on Gabe are at <https://apcug2.org/gabe-goldberg/> and <https://www.linkedin.com/in/gabegold> on the web. We look forward to seeing Gabe at the CUE meeting on October 10<sup>th</sup>!

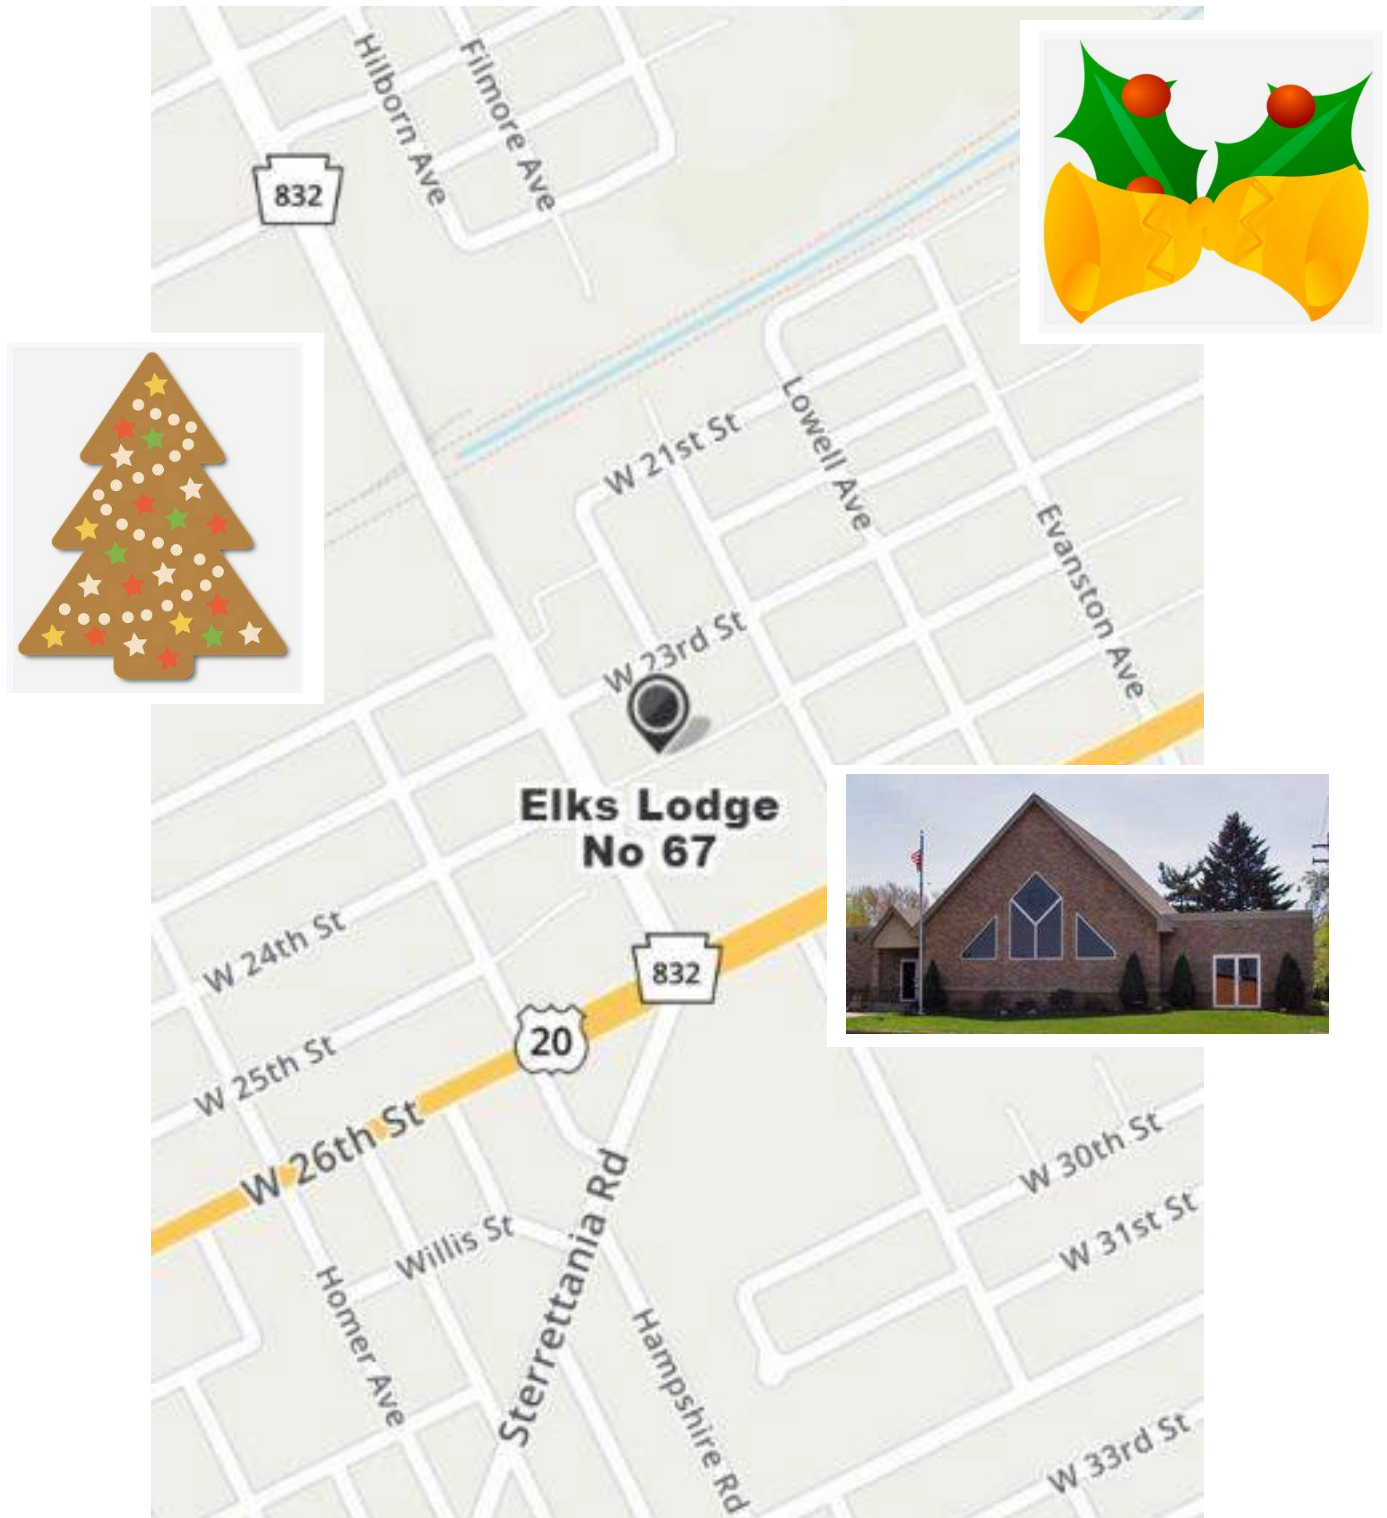

# Save That Date! Thursday December 5<sup>th</sup> 2019

The Elks Club in Erie is reserved for the CUE Christmas/Holiday Party!  
Try to keep that date open for a time of food and fellowship!

Members voted to move the party to the Elks Club this year. Here is the location:

2409 Peninsula Drive, Erie, PA

## A Note from the Treasurer

### CUE Holiday Party!

Save That Date! On Thursday, December 5th, 2019, CUE will celebrate its Holiday Party in a private room in The Elks Club in Erie! Keep the date open for an enjoyable time of food and fellowship! Members voted to move the party to the Elks Club this year. CUE Members familiar with the restaurant at the club have spoken highly of the quality of the food and service. The club is located at 2409 Peninsula Drive in Erie with plenty of parking and a very accessible entrance.

As always, we will have a gift exchange. If you'd like to participate, please bring a wrapped gift of no more than \$10 in value.

The plan for this year's dinner is a little bit different. Members are asked to order their dinner and pay in advance. Once again, CUE members have voted to give a \$10 subsidy (at the dinner) to dues-paying members who attend.

Here's how to order. To save on costs, we are offering a choice of four entrees. The prices include 6% tax and 17% gratuity:

Roast Pork Loin	\$13.58
Chicken Parmesan	\$14.82
Vegetable Lasagna (white)	\$13.58
Honey-Glazed Salmon	\$15.50

To order your dinner, please send a check for you and your guest, if you plan to bring one, to CUE at:

Computer Users of Erie  
PO Box 8941  
Erie, Pennsylvania 16505-0941

Be sure to specify your dinner choices:

Roast Pork Loin  
Vegetable Lasagna  
Chicken Parmesan  
Or  
Honey-Glazed Salmon

A cash bar will be available. Dinner orders and checks must be received no later than **November 15**. Please note: If for any reason you do not attend, we cannot offer a refund.

# New Era for CUE Website

By Don Grim at Computer Users of Erie

It's a New Era for CUE with the new website! Congratulations to Tom Kuklinski for his vision and start in this new adventure! It's a change although it has the prior information, just at different areas. Let the CUE officers or CUE Board know if you have questions about the new website.

You can reach the new website by going to the same web address:

[cuerie.com](http://cuerie.com)

For now, there is a link there to go to the website. Eventually, the [cuerie.com](http://cuerie.com) web address will go directly to the new website.

The new website has basically "bridged the gap" between websites and facebook pages. Facebook allows for easy updating and managing. Websites allow for more power and more options. But, until recently, you had to rely on someone who knows a little about html to manage websites. Now, with the new website capabilities, we kind of get the best of two worlds, easy editing and power! That type of website will probably be the popular choice of many web administrators in the future. CUE has it now!

Now we have the availability for multiple website updaters for whenever our CUE Webmaster (Tom Kuklinski) is not available. Also, SIG administrators, Board members, etc., have freedom to easily update the website to communicate meetings and other information directly on the web.

Some additional new features of the website include news feeds, a discussion forum for messages, and blocking certain parts of the website from the public. CUE members have full access to the website though blocked areas will protect our privacy so that strangers do not see our addresses, phone numbers, pictures, messages, or even recent newsletters. If the public does try to go to a restricted area, it will encourage them to become members and ask them for login information. There are additional features for the new website and Tom Kuklinski plans to talk about the new website at the CUE meeting on November 21<sup>st</sup>.

So, welcome CUE, to the New Era with the new website. Drink it in at your own pace and enjoy it!

### Welcome to Computer Users of Erie

CUE is the largest Technology Club in Northwest PA, serving Erie, Pennsylvania, and surrounding communities since 1982. CUE provides a forum for people to learn about computers, smart phones, tablets and the Internet and how they can enhance our lives. No expertise is needed to join CUE, only a desire to learn and/or a desire to share your knowledge and expertise.

Public is invited to our General Monthly Meeting

CUE also has [Special Interest Groups](#) that meet separately for in-depth discussions. They Include:

- Digital Photography
- Genealogy
- Hand Held Devices, iPhone, iPad, Android, Tablet
- Macintosh/Apple Devices
- Windows Devices

We also help you TROUBLE SHOOT your problems

Check the [Calendar of Events](#) page for meeting location and times the various groups meet

Join CUE like the hundreds before and see for yourself

# A Few of my Favorite Things (aka websites)

By Lou Torraca at the MOAA Hawaii Aloha Computer User Group ([www.the-tug.org](http://www.the-tug.org))

Time for an update of My Favorite Things...can you hear Julie Andrews singing the song: Raindrops on Roses and Whiskers on Kittens; Bright Copper Kettles and Warm Woolen Mittens; Brown Paper Packages tied up with Strings, These are a few of my favorite things.

We all spend lots of time on the 'net, but the sheer size of it makes it hard to find lots of neat places unless someone tells us, so, I've made a list of some of my favorite things (aka web pages) and I've added a few brief comments on each, but you really need to go there yourself and see what's there and in some cases try out the program.

<https://alternativeto.net>

It's really easy to find any alternatives for a software program that you don't want to spend big bucks on when you use the search function at this website.

<http://www.nasa.gov>

Hard to beat this one for kids of all ages. Lots of great information and images, things to do and games for everyone.

<http://www.wpclipart.com>

This is where some of the clipart you see at the top of this column comes from. The owner, Mr. Paul Sherman has posted them for public use, free of any restrictions. So, feel free to use them in your letters, e-mails or whatever. Thanks, Paul!

<http://www.musipedia.org>

The folks at Musipedia are busy building a searchable, editable, and expandable encyclopedia of tunes. And you're invited to take part in the action. Their

Melodyhound can find a tune even if all you know is the melody. Or, see the next one.

<http://thenostalgiamachine.com/>

Pick a year and you will get a list of that year's hit to listen to.

<https://www.popularmechanics.com/>

Pretty much anything you can think of is probably on this webpage!

<https://radio.garden/listen/wpkn/e0ID4oHy>

This is one you will love. Search the globe for radio stations anywhere in the world!

<http://www.merriam-webster.com>

If you do any amount of writing, whether for the office or just e-mails, I'd be surprised if you haven't found this one, which, along with the Encyclopedia Britannica are essential tools.

<http://twitter.com>

After blogs, this one was inevitable...you "twitter" (yes, it's a verb) by answering the question "What are you doing?" in 280 characters or less. It looks like more of a fun thing than a serious one as you can see from the example of how little 280 characters is.

<http://www.gcflearnfree.org>

This page is an incredible online learning site from the Goodwill Community Foundation. On the site, there are thousands of video lessons covering 125 topics, taught by professional educators. Topics are geared to everyone from kids, to college students, to people who want to learn English, or even adults who need to

## A Few of my Favorite Things Continued

beef up on job skills, like learning to write a resume or using Microsoft Office.

<https://www.travelblog.org>

This is a place where you can write an ongoing blog documenting your travels. It's a great way to share stories and chronicle your trip.

<https://www.afi.com>

Here you will find an amazing amount of information about films you have seen or wanted to...complete story lines, a list of the top 100 films and lots more to explore. If you are a film buff, you will love this site.

Hope you enjoy exploring these; have fun out there on the www, but remember to be safe! Aloha, Lou

## Genealogy Report for 9/3/19 SIG Meeting

The Genealogy SIG met at 7:00 p.m. at the home of Hal and Gretchen Kelley.

Those attending were: Don Rhodes, Susan Mueller, Hal Kelley, Hadley Jones, Barbara Jones, Tim Donlin, Bill Klauk, Janice Castro, Joanne Haulik, Conrad Sobczak, Carole Blakeslee, Connie Edwards, Susan Wilber, Liz Wisniewski, Paul Francis, Carl Hull, Tanya Matson, and Carl Zalewski.

We welcomed Carl Zalewski, a new CUE member, to our SIG meeting.

The SIG members were reminded that anyone who had not paid their CUE membership annual dues could do so at this meeting. Janice Castro is the Treasurer. Also, Sue Mueller, who takes care of our SIG [Ancestry.com](https://www.ancestry.com) group membership, can still receive the new amount of \$16.00.

Connie Edwards presented an excellent program on Google Photos. With this program, you can easily store, backup and sync all of your digital photos and videos to one online location. Your photos and videos are then searchable by you, shareable, and you can create several different photo projects right in Google Photos. Connie shared with us a YouTube on Google Photos and showed us several things she had done with it. She has shared with the SIG the link to the YouTube Tutorial she referenced. It is:

<https://www.youtube.com/watch?v=IEJH0n6xuJk>

Following Connie's presentation, there was a discussion we have frequently at

Genealogy SIG meetings about the necessity of backing up everything one has on his/her computer. In addition to backups we have in our homes, many people have added an on-line, in the cloud backup(s), so that our information is available in the event that the backup(s) we have at home are destroyed. Of course, a backup can also be given to a relative or a friend to keep as well. Some people keep one in their safety-deposit box at a bank. It was suggested by several members that two good on-line backup programs are iDrive and Carbonite.

Conrad Sobczak shared with us several new discoveries he has found on family members.

He shared his recent experience with Find a Grave in Milwaukee County, Wisconsin and his interesting results. He is also searching for an aunt and uncle to learn how to refine a search, also in Wisconsin. He is searching for the surnames Plichta and Sobczak. There were some Q. and A. around the topic of Find A Grave; perhaps it's time to have a review of it at a SIG meeting.

Hal Kelley shared a preview of a Legacy Family Tree Webinar entitled "Ten Tools and Tips for Genealogical Writing," presented by Harold Henderson, CG, on August 29, 2019 on the internet. Mr. Henderson's lead in to this webinar is: "Genealogists love to research, but writing it up – not so much. First, we need to read good writing (any kind). Then, practice writing in two separate compartments: write as it comes, and return later to fix or edit. Don't worry about beginnings or endings; they will emerge over time. Seek out helpful critics, never wait until the last

## Genealogy SIG Report Continued

minute, and be ready to learn from editors.” This webinar has a lot to offer serious writers. Someone has put it succinctly: “Don’t postpone writing until your research is finished; that day will never come.”

Toward the end of the meeting, we tried to assist Susan Wilber in finding some relatives on her tree on [Ancestry.com](https://www.ancestry.com). We

ran out of time. We hope we can help her more at another meeting.

The next meeting will be at the Kelleys’ home on Tuesday, October 1, at 7:00 p.m.

The meeting was adjourned at 9:00 p.m.

Respectfully submitted,

Harold D. Kelley

## Secretary’s Report for 9/19/19 CUE Meeting

Members Present: Paul Francis, Tim Donlin, John Fair, Tom Kuklinski, John Szympruch, Don Grim, Janice Castro, Charlie Bennett, Paul Wieczorek, Jeanne Brickell, Lou Cioccio, Hadley Jones, Carl Zalewski, Linda Angelotti, Carol Korn, Carol Repoff, Norma Smith, Fred Bernatowicz, Deb Cole, Ken Kanoza, Rich Sagan, Bill Klauk, Don Rhodes, Mike Henry, Judy Henry, Liz Wisniewski

Guests Present: Dick Wilkins, Jerome Zawistoski

The number of members present (26) exceeded 14, the number needed for a quorum (20% of 74 total members).

The CUE meeting was started by president Paul Francis at about 7 PM.

Everyone gave their names to introduce themselves to the guests at the meeting. Paul reminded us that the October meeting will be on the second Thursday of the month (10/10) instead of a typical third Thursday of a month, which will include speaker Gabe Goldberg from APCUG

(Association of Technology & Computer User Groups).

The minutes for the August meeting were mentioned to be in the newsletter. The minutes were accepted by the members for approval (first and second motions from Janice Castro and Don Rhodes).

Treasurer Janice Castro mentioned that there were recent expenses for the room for the Holiday Party and the meeting room, with the current treasury balance at over \$4,000. She reminded members that they can talk to her to renew their CUE dues.

Hal Kelley and Sue Mueller were not at the meeting so there was no report on the Genealogy Special Interest Group.

Lou Cioccio reported on the Digital Photo Special Interest group. At their latest meeting, they set up a photo studio at his house which included lighting and other studio aspects.

## Secretary's Report Continued

Lou Cioccio reported on the Macintosh Special Interest Group and Windows Special Interest Group. The Macintosh meeting discussed the Catalina operating system for the Mac computer, including what software does not run on it. Nobody arrived for the latest Windows meeting.

John Fair reported on the Smartphone & Tablet Special Interest Group. Their latest meeting talked about iPad features, the Wegman's store app, the Apple News app, the News Plus app, the Weber Grill app, and a Plant app to identify plants by showing pictures.

Tom Kuklinski brought up features about the new CUE website including that SIG members have more freedom to update the website, there are news feeds, there is

a Discussion Forum on the website for messaging capabilities which could have us change how we use Googlegroups for messages, and that there are sections of the website that are blocked from the public yet open to CUE members.

There was a request to adjourn the meeting. The members approved the adjournment of the meeting (first and second motions from Janice Castro and John Fair).

A demo followed the meeting from Lou Cioccio on the Windows 10 operating system.

Respectfully Submitted,  
Don Grim, Secretary

## A Note from the Editor

As usual, feel free to contribute information for the CUE newsletter. Whether it is small, large, an article, a tip, information, or pictures, you can send it to me and I will plan to include it in the newsletter. You can reach me at [grimcyber@yahoo.com](mailto:grimcyber@yahoo.com).

Remember that the October CUE meeting will be on the **second** Thursday of the month (10/10/19) rather than the typical third Thursday of the month.

Also, remember an upcoming special event, the CUE Christmas/Holiday Party, is to be on Thursday 12/5.

I know, it doesn't feel like the Holiday yet until it gets colder. However it is just around the corner and the deadline is even sooner to give your Holiday dinner order and payment to our Treasurer Janice Castro no later than the deadline of:

**November 15, 2019**

Details about ordering your Holiday dinner are on page 5 of this newsletter.

Editorially, Don Grim

# Directions to Wayside Presbyterian Church for CUE Meetings

Wayside Presbyterian Church, at 1208 Asbury Road, is approximately three blocks north of the intersection of Asbury Road and Route 5. This intersection is at the northwest corner of the Erie International Airport property. Following Asbury, turn left at the first marked driveway for the church. During the afternoon winter schedule (10:00 AM for the months of November, January, February and March), entry is through the two sets of blue double doors. Use the buzzer to gain entry if the doors are locked. During the normal evening schedule (7:00 PM the remaining months) use the double doors on the south side of the Christian Education wing. Signs are posted in the building to direct you to the meeting room.

**From West of Erie International Airport:** Follow Route 5 to the intersection of Asbury and Route 5. Turn hard left onto Asbury Road. Look for the church on the left approximately 3 blocks north of the intersection.

**From South of Erie:** Take Interstate 79 north to the 26th Street (Route 20) Exit. Bear left onto 26th Street (Route 20) west. Follow Route 20 about 3.4 miles west to Asbury Road. Turn right (at the Sheetz Gas Station) onto Asbury and follow it straight across Route 5. Look for the church on the left approximately 3 blocks north of the intersection.

**From East of Erie International Airport:** Follow 26th Street (Route 20) west to Asbury Road. Turn right onto Asbury and follow it straight across Route 5. Look for the church on the left approximately 3 blocks north of the intersection. OR, follow 12th Street (Route 5) west past the airport to Asbury Road. Turn right onto Asbury Road. Look for the church on the left approximately 3 blocks north of the intersection.

## About the Newsletter

The CUE Newsletter is published monthly by the Computer Users of Erie (CUE), an independent nonprofit computer user group, dedicated to the education and support of our members. The opinions expressed herein are those of the individual authors or the editor, and do not necessarily reflect the opinions of CUE. This publication is Copyright © 2018 by the Computer Users of Erie. All rights reserved. Permission to reprint is hereby granted to any Nonprofit Organization, as long as proper credit is given, or not restricted by the original author or source. **Advertising:** Advertising is welcome from both our members and commercial sources. For current advertising rates, please send an email to the Editor requesting a copy of the Ad Rates file. **Address Changes:** Any recipient of the newsletter is urged to submit a change of address notification to the Editor, either via US Mail to the address shown below, or (preferably) via email, so we may keep our records accurate. **Newsletter Exchange:** CUE welcomes newsletters from other user groups. If you would like to exchange newsletters, either by US Mail or via electronic (Internet) delivery, please send your newsletter to the address listed below. We will add your name to our mailing list and send you our newsletter in return. **Submissions:** Submissions are always welcome from our members or outside sources. Submissions may be articles, images, cartoons, etc. For first time authors, please request a copy of our Submissions Guidelines from the Editor, prior to submitting any items. This will help to eliminate publication delays. Submissions are due by the 5th of each month. **Correspondence:** General correspondence to CUE may be sent via US Mail to: Computer Users of Erie, PO Box 8941, Erie, PA 16505-0941 USA. Email to: [cuerie@gmail.com](mailto:cuerie@gmail.com). Editor Email to: [grimcyber@yahoo.com](mailto:grimcyber@yahoo.com).

# CUE Membership Benefits

As the largest computer users group in northwest Pennsylvania, CUE has served Erie and surrounding communities since 1982. CUE provides a forum for people to learn about computers and have fun doing so. The group meets the third Thursday each month, with the exception of the months of July and December. In July the group gathers for a picnic and December is the annual holiday party (dates vary). CUE meetings are at Wayside Presbyterian Church, 1205 Asbury Road, Erie. Meetings from April through October are at 7:00 p.m. From November through March, the meetings are at 10:00 AM in the morning.

Our monthly meetings are open to the public regardless of age or ability. Many of our members are senior citizens who span a wide range of capabilities and interests but share a desire to know more about how to use computer related technology. Our role is to provide a forum for continuous learning from each other. CUE has a closed Google gmail group that is used to communicate with members and to post questions/problems to seek answers from the membership. Members pay an annual membership fee of \$24 to receive a membership directory, monthly newsletter, availability to monthly general meetings, and any of the Special Interest Group (SIGs) meetings, usually held in a member's home. Locations and times vary, so check the online EVENTS Calendar on the website for the latest information. SIG topics include:

- Digital photography [and photo safari]
- Genealogy
- Macintosh computers
- Computer troubleshooting
- Beginners users group (BUG)
- Handheld smartphones and tablets

CUE is a member of the Association of Personal Computer User Groups (APCUG). APCUG is an International, platform-independent, volunteer-run, non-profit organization devoted to helping member User Groups offer enhanced services to their members. Some of the membership benefits include:

- Speakers bureau
- Free virtual technology conferences
- Regional conference
- Push newsletter articles
- Discounts and special offers from vendors
- User group newsletters online
